

## Executive Profile

### Daren Moore

*Senior Vice President, TEM Services*

Daren Moore is responsible for leading Veramark's TEM client relationships from the sales process through service delivery, while ensuring 100% client satisfaction. Daren is recognized as an industry leader in Telecom Expense Management and has 20 years of telecom management experience, which includes directly managing billions in network expenses for a large international carrier, as well as operating TEM companies that manage telecom spend for large enterprises. Daren's network experience has enabled him to successfully build telecom organizations, processes, and applications for a significant number of large multi-national enterprises.

Before joining Veramark, Daren was Managing Director and a founding partner of Source Loop, a leading provider of Telecom Expense Management services. Daren was previously the SVP of Operations for Control Point Solutions, a leading Telecom Expense Management firm managing over \$7B

in telecom expenditures. Daren led the operational teams providing cost management services for both outsource and professional services. Prior to CPS, Daren was one of the founding principles in Broadmargin - one of the initial Telecom Expense Management firms to manage telecom expenses for enterprises and carriers. Prior to joining Broadmargin, Daren served as Director of Network Cost Management with MCI, where he was responsible for managing several billion dollars in annual access and local costs for MCI's eastern United States operations. Daren's tenure with MCI included leadership roles in St. Louis, Chicago, and Atlanta, where he managed and built organizations focused on network financial management.

Daren holds a B.S. in Accountancy from Southern Illinois University.
